## DEVELOPMENT EXPERIENCE

### NORTHCODERS, Manchester

02/23 – 05/2023

Junior Software Developer

Successfully completed the Northcoders 13 week full-stack software development bootcamp. Applied agile methodologies and pair programming through building solo and collaborative projects, enhancing effective communication and complex problem solving skills within a team-oriented environment. Gained insight into new technologies, frameworks and best practices, solidifying writing robust code with the use of TDD
